

## **FYI --- Our new Cleaning and Disinfecting procedure**

These are the measures that we are taking to keep everyone safe while still running our Library of Things. We know you will understand why we need to be less flexible. Hopefully, all of these measures will be lifted once it is safe to operate as we used to.

- When an item is returned (cleaned by the last borrower), we will clean and disinfect it as soon as it is in our HQ
- We will quarantine the item for 5 days after it was initially cleaned.
- We will disinfect the item one more time before it goes out again.
- Our volunteers and staff will be wearing PPE when dealing with the public and handling tools.
